LumiGo PAR404

CYCLOPS LIGHTING

The LumiGo PAR404 is a professional, battery-operated IP65 LED wash light designed for ultimate versatility. Featuring 4 x 20W RGBL LEDs, it delivers 3,150 lumens of high-quality color mixing and adjustable color temperatures from 3000K to 10000K. Built for both indoor and outdoor use, it offers up to 24 hours of operation on a single charge and features integrated wireless CRMX and Bluetooth app control for a completely cable-free setup. With its compact aluminum housing and silent operation, it is the ideal solution for quick-deploy event lighting, architectural highlights, and high-performance mobile applications.

CONNECTIONS

Power Connections	• DC Input 18V / 5A
Data Connections	• Wireless DMX from Sweden; Bluetooth for Vision App control

BATTERY

Battery Life	• 4 hours at full light
Battery Usage	• Up to 24 hours in power-saving “Battery Boost” modes
Battery Charge Time	• 4.5 hours

ELECTRICAL

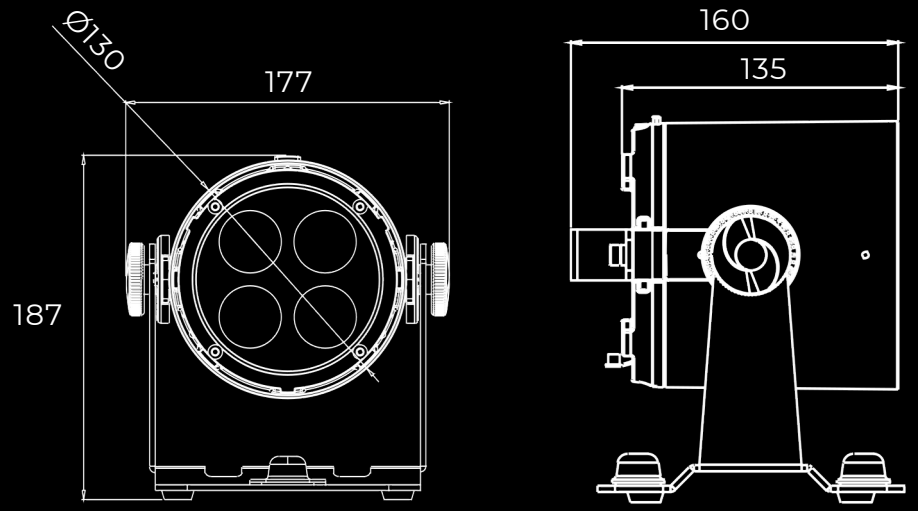

Power Consumption	• 50W

PHYSICAL

Dimensions	• 177 x 160 x 187 mm
Net Weight	• 2.87 Kg
IP Rating	• IP65

ACCESSORIES (Optional)

Hangingplate,Half-Antiglarebarndoor, Magnetic Frost filter, Bat Ball, Bat Tube (15/50cm), and Bat slivery cover

LumiGo

OPTIONAL ACCESSORIES

Flight Case
FC-LGPAR404

The FC-LGPAR404 is a rugged, custom-lined transport solution designed to protect multiple LumiGo PAR404 units. Featuring reinforced hardware and precision foam inserts, it ensures your fixtures remain secure and impact-resistant during touring or local transport.

Magnetic Frost Filter
FF20-LGPAR404

The FF20-LGPAR404 series offers rapid beam customization with magnetic attachments available in 20°, 40°, or 10x60° spreads. These filters instantly soften the 6-in-1 LED output, allowing for seamless transitions from a tight spot to a smooth, homogenized wash.

Barn Door
BD-LGPAR404

The BD-LGPAR404 provides essential glare and spill control with adjustable leaves. This durable accessory allows for precise beam shaping, ensuring light is directed exactly onto the target while shielding the audience or cameras from direct LED flare.

Top Ball
TOPB-LGPAR404

The TOPB-LGPAR404 transforms the fixture into a decorative, 360-degree glowing orb. Perfect for immersive event design, these spherical diffusers catch the PAR404's internal colors to create a soft, omnidirectional ambient light effect.

CYCLOPS LIGHTING

Extension Tube 15cm
TOPT15-LGPAR404

The TOPT15-LGPAR404 is a compact accent light accessory that transforms the PAR404 into a sleek, glowing pillar. Perfect for subtle architectural highlights and tight stage layouts.

Extension Tube 50cm
TOPT50-LGPAR404

The TOPT50-LGPAR404 is a high-impact vertical fixture accessory that turns the PAR404 into a dramatic, room-defining glowing column. Ideal for main stages and grand venue entrances.

Chrome Mirror Body Cover
COVER-C-LGPAR404

The COVER-C-LGPAR404 is a high-polish chrome plate that al- lows the fixture to blend into high-end environments by reflect- ing its surroundings. This “mirror” finish effectively hides the fix- ture body for a sleek, nearly invisible installation when not in use.

White Body Cover
COVER-W-LGPAR404

The COVER-W-LGPAR404 provides a clean, minimalist white aesthetic ideal for weddings and gallery spaces. This sleek cover ensures the fixture body complements bright interiors, maintaining a professional and low-profile appearance that matches white-themed decor.
