VISION CONTROL APP

The LumiGo™ PAR 407 is a powerful, battery-operated outdoor LED wash designed for ultimate versatility and rapid setup. Featuring **7x10W RGBW LEDs** with a **25° beam angle**, it delivers vibrant color mixing and dynamic effects like variable chasing and smooth fading. Built into a rugged aluminum **IP65-rated** housing, it is engineered to perform in extreme environments ranging from -30°C to 45°C. Control is seamless and cable-free via the **Vision Control App** or integrated **LumenRadio CRMX**, with a high-quality lithium battery providing up to **20 hours** of operation. For professional productions requiring a complete mobile solution, the LumiGo™ PAR 407 is also available as a comprehensive **8-unit kit** featuring a dedicated charging flight case.
