

TITAN MOBILE & MOBILE FADER WING

The power of Titan in its most concentrated form!

Avolites TITAN Mobile binds the awesome power of TITAN software with a compact and lightweight unit that connects to your laptop to produce a fully featured moving light control system. Small enough to carry as hand luggage, large enough for complex shows. Shows transferrable to and from any other Titan console.

- 10 Playbacks with assignable controls.
- 20 direct access workspaces, macros and executors.
- 4 DMX onboard outputs - 16 Artnet universes.
- Integrated video media server control.
- Fast, live and hands on attribute controls.
- Fast to programme and easy to use.
- Titan Mobile 4.75kg
- Titan Mobile Fader Wing 6.7kg
