

## DMX-D2 Professional DMX Cable Double Shield 0.42 mm<sup>2</sup> AWG 21

### Conductor

|              |                       |
|--------------|-----------------------|
| Quantity     | 2                     |
| Construction | 37/0.10 mm            |
| Resistance   | 51Ω/km (Max. at 20°C) |

### Insulation

|           |             |
|-----------|-------------|
| Material  | PE          |
| Diameter  | 1.8±0.10 mm |
| Thickness | 0.5±0.10 mm |
| Colour    | Red, White  |

### Jacket

|           |           |
|-----------|-----------|
| Material  | PVC       |
| Diameter  | 6.0±0.30  |
| Thickness | 0.95±0.20 |
| Colour    | Black     |

### Characteristics

|                     |              |
|---------------------|--------------|
| Impedance           | 110 ohms     |
| Capacitance at 1kHz | 131pF/m      |
| Voltage Breakdown   | 125V/15sec   |
| Flex Life           | 20000 cycles |
| Tensile Strength    | 500N         |
| Working Temp.       | -20°C ~ 70°C |
