

**CPX 3540B** is an outdoor RGB LED compact linear wash bar. It is designed with a very dense 54 bright LEDs and wide angle of 60° in a small body of 35.9 cm to ultimately serve architectural uplighting and wash outdoor applications.

- SOURCE** Light source: 54 x 3 watts RGB SMD LED
- OPTICAL SYSTEM** Lens: 10 x 60°
- DYNAMIC EFFECTS**
  - Dimmer: 0-100% linear adjustment
  - Color mixing: RGB
  - Variable color chasing
  - Strobing and fading effect
  - 55 built-in color macros
- CONTROL & PROGRAMMING**
  - Control protocols: RDM, DMX, Master Slave, Auto
  - IR remote control
  - Display: 4 button LED Displayer
  - Control channels: 3, 5, 8, 13 Chs
- ELECTRICAL**
  - Input voltage: 100-240V/50-60Hz
  - Power consumption: 180 watts
- CONNECTIONS** DMX connections: IP rated 3 PIN XLR cable
- PHYSICAL**
  - Dimensions: 359 x 53 x 81mm
  - Net weight: 2.1 Kg
  - Color: Black
  - Housing: Aluminium
  - IP rating: 65
  - Operating temperature: -20°C/40°C
