

ARCHITECTURAL

ARCHILINE 1 is a 3 in 1 outdoor compact linear wash bar. It is designed with a very dense 54 bright LED and wide angle of 60° in a small body of 39.5 cm to ultimately serve architectural up lighting and wash outdoor applications.

SOURCE Light source: 54 x 3 watts CREE RGB LEDs, 35x35mm
LED life expectancy: 50,000 Hrs.

OPTICAL SYSTEM Beam angle: 60° x 10°

DYNAMIC EFFECTS Dimmer: linear dimmer
Color mixing: RGB
Electronic strobe
Built-in color and dynamic macros

CONTROL & PROGRAMMING External control box
Control protocols: DMX, Auto, Sound, Master-Slave
IR remote control included
Control channels: 1, 3, 4, 7, 10 CHs

ELECTRICAL Input voltage: 100-250V/50-60Hz
Power consumption: 50 watts

CONNECTIONS DMX and power connections: IP screw type In/Out cable connectors
Power and DMX feed through control box

PHYSICAL Dimensios: 395 X 53 X 81mm
Net weight: 2.1 Kg
Color: Black
Housing: Die cast aluminium cover
IP rating: 66
Operating temperature: -20°C/45°C
