

ENTERTAINMENT

STROBE 1200-O is a weatherproof IP65 powerful Strobe, Wash, Blinder and Effect fixture. It is powered by 1320 x 1W RGBW LEDs with 6 zones control. It delivers an electric strobe and a saturated and dynamic pixel mapping RGBW floor light. With built-in macros and precise strobe control, this multifunctional fixture is ideal for any entertainment application, theme parks and large scale outdoor stages and clubs.

SOURCE : Light source: 1320 x 1 watts RGBW LED
Color Temperature: 5000-6500K
LED life expectancy: 50,000 Hrs.

OPTICAL SYSTEM : Beam angle: 120°

DYNAMIC EFFECTS : Dimmer: Linear adjustment
Color Mixing: RGBW
Electronic strobe
6 RGBW zones control

CONTROL & PROGRAMMING : Control protocols: DMX, Auto, Manual
Control channels: 7, 8, 13, 15, 31 CHs
LCD Control Panel

ELECTRICAL : Input voltage: AC100-240V/50-60Hz
Power consumption: 1500 watts

CONNECTIONS : DMX connections: Waterproof 3 pin XLR In/Out
Power connections: Waterproof PowerCon In

PHYSICAL : Dimensions: 490 x 290 x 165 mm
Net weight: 12.5 Kg
Housing:
Color: Black
IP rating: 65
