# VISIO TEKK

LiveTekk WP

The ultimate touring LED screen

It boasts a robust, weather-resistant design built to thrive in various conditions, with a fast lock system for easy set up and dismantling. Its high-brightness and high heat dissipation capabilities offer resilience to extreme temperatures, humidity, and dust while ensuring outstanding visual performance and extreme durability. It delivers clear, vibrant images capable of outdoor movie screening. LiveTekk WP is a must-have for every rental business.

Pixel Pitch（mm）
2.976-4.81

Maximum Brightness
4500 cd/m²

Cabinet Material
Die-Cast Aluminum

IP Rating
Outdoor

Refresh Frequency
≤ 3840Hz

	P2.976-500x500	P3.91-500x500	P4.81-500x500
